Dear prospective sponsor,
 Arts 4 All is a non-profit organization providing underserved, disadvantaged, and underprivileged children and families of all backgrounds the opportunity to develop and enjoy the Performing Arts. Arts 4 All extends affordable and accessible performing arts education programs through scholarship opportunities to talented children regardless of their religion, race, or income. Arts 4 All embraces the enhancement of the skills and talents of children within dance, music, acting, visual arts, and the performing arts, year-round at Inna's Hall of Fame Performing Arts Conservatory. Many of our Music/Dance/Art showcases and musical theatre productions take place at our very own Black Box Community Theater.

Proceeds from ticket sales go to help Arts 4 All provide affordable and accessible arts education for underserved, disadvantaged children, and families in our community. This is just one way in which we generate funds to support our causes, festivals, shows, and other events throughout the year are hosted by Arts 4 All. We believe that all children should have equal opportunity to receive an affordable and well esteemed education in the arts. With your sponsorship support, we will be able to provide the students at Arts 4 All's Conservatory facilities the opportunity to grow and showcase the results of their hard work and dedication. Because of sponsors like you, our youth will have the chance to sing, dance and perform on a real stage in front of other members of the community.

Please take your time to carefully read and understand the terms and benefits of each agreement and donation option below

We would like to invite you not only in support, but in partnership of this important cause by becoming a donor or Sustaining Sponsor.

For information on how we can grow together, please see the benefits for sponsors in the pages below.
